

BLUETOOTH FOR ANY CAR

SmartCharge Car Kit F2 brings wireless functionality to your car while providing simultaneous high-speed phone charging for driver and passenger.

JUDGE BY THE COVER

Aesthetically designed packaging draws the eye and conserves shelf space.

FULLY LOADED

Packed with everything you need, so you're good to go—right out of the box.

LOCATE YOUR CAR INSTANTLY

ROAV app locks onto your car's location and guides you back.

SEAMLESS PHONE INTEGRATION

ROAV app unifies all non-charging functions into one easy-to-use app.

BROADCAST YOUR MUSIC

Bluetooth 4.2 wirelessly streams playlists from your phone to your FM radio.
