

DANIELLE FREAKLEY

## EQUAL OPPORTUNITY TO BE A DICTATOR

5 – 28 April 2018

After 3 years of performing The Quote Generator, Freakley spent a further 3 years in in a shed, talking to no one and making sculptures. These are some of those sculptures.

They have not been exhibited in Australia before.

In making these sculptures a new and sprawling work of intimate pieces developed collaborating with an international team of professional fools, psychologists, actors, artists, lawyers, managers, philosophers, children, witches, politicians, experimental musicians, a brain tumour, sociologists, clowns, a foetus, writers, mathematicians, builders, magicians, choreographers, ants, etc. This is ongoing and with a direct lineage to these sculptures. She is not prepared to talk about this current ongoing work publicly but she will tell you what to say and you can tell her what to say.

This is your equal opportunity to become a Dictator.

A meeting of two: eye to eye, face to face.

And when you are near I will tear your eyes out

and place them instead of mine,

and you will tear my eyes out

and will place them instead of yours

– Jacob L. Moreno, founder of Psychodrama
